

VACANCY

BEAM SAW – MACHINE SHOP

THE ROLE

We are currently looking to recruit an experienced Beam Saw Operator who will be primarily involved in the manufacture of Tenmat Composite parts utilising a range of production machinery including panel saws, cross cut saws and belt sanders.

The Beam Saw Operator will be required to work safely on a number of machines or processes and will be expected to meet set production and quality targets on a daily basis. Full relevant training will be given to the successful candidate.

DUTIES OF ROLE

- Ensure any activities you carry out are done with Health and Safety criteria at the forefront – i.e ensure Safe Working Procedures, Risk Assessments and Lock out/Tag Out procedures are read and understood before operating any equipment on site.
- Maintain a high level of housekeeping standards in any area you operate
- Ensure documentation is completed fully and accurately when performing any duties on the shop floor.
- Raise any performance or H&S issues immediately with the shift leader or supervisor.
- Make suggestions on how to improve the processes in relation to production quality or manufacturing time.
- Meet production and quality criteria on a daily basis.
- Carry out quality checks on products and record the information accurately.
- Assist in training and mentoring new operatives in that cell
- To carry out additional reasonable duties as required by business needs.

EDUCATION AND TRAINING

- Experience of working within a manufacturing environment.
- Experience of working in a target driven environment
- Performing Manufacturing Operations NVQ (desirable)
- Experience of operating panel saws essential – knowledge of crosscut saws and belt sanders would be advantageous
- Ability to competently use handheld measuring equipment such as Vernier calipers and micrometers

PERSONAL ATTRIBUTES

- Good communication skills
- Good numeracy skills
- Quality Awareness
- Continuous Improvement
- Flexible
- Proactive
- Health & Safety conscious
- Proactive

- Health & Safety conscious

BENEFITS

- Competitive salary
